

# KICKSTART YOUR 2007 SEASON AT THE SECOND ANNUAL SURPRISE OF THE FOOLS 24 HOLES PRIVATE COURSE ON PREMISES LODGING VARIED TERRAIN

Last year's inaugural Surprise of the Fools Disc Golf Tournament was an enormous success. With a nearly sold out field, and awesome course co-designed by none other than Pat Govang, including ample water, woods, fields, elevation and every other element necessary for a truly professional-grade course, the 2<sup>nd</sup> Annual Surprise of the Fools C-Tier Tourney will be even better!

And this year we have expanded the course even more! With 6 more holes, and an additional day of play, you are definitely going to get your money's worth at this event! Still the same good food, great libations, terrific host and awesome location.
